City Hall, Chestnut St. side

PMLP Honors Elementary Science Fair Winners

One hundred fifty two elementary school students recently received awards for outstanding achievement in Energy Conservation, Energy Awareness or Energy Innovation at Science Fairs held at their respective schools. The awards ceremony was held at Peabody High School with eight hundred people in attendance. The program began with the presentation of colors and the Pledge of Allegiance led by the PVMHS Air Force Jr. R.O. T.C. followed by the National Anthem sung by Geena Gangi, a fifth grade student at the West School. Commission Chairman, Thomas Zellen, presented award packages containing an engraved plaque from PMLP, a congratulatory letter from Congressman John Tierney, a joint citation from State Senator Frederick Berry, State Representatives Joyce Spiliotis and Ted Speliotis and a certificate from Peabody Mayor Michael J. Bonfanti to all students. First, second and third place winners received a U. S. Savings Bond from the Light Plant. Commissioners Robert Wheatley and Thomas Paras, Mayor Bonfanti, State Representatives Spiliotis and Speliotis, as well as Superintendent of Schools, Dr. Milton Burnett were in attendance to congratulate the students along with Chairman Zellen. Light refreshments, prepared by Peabody High School culinary arts department students, were served following the ceremony.
